

# Don't Let The **Flu** Get to **You**

The influenza vaccine is **safe, effective**  
and **FREE** for many people in BC including

*pregnant women...*

*...young children and their families...*

and anyone  
65 or older or with a  
chronic condition.

**Find an influenza (flu) vaccine clinic near you at [ImmunizeBC.ca](http://ImmunizeBC.ca)**
